

NEW STORE GALORE

Continuously raising the bar in the home furnishing scene, HomeSquare, the largest one-stop shopping mall of its kind in Hong Kong has recently introduced two unique concept stores to spice up your home, as well as a scrumptious Cantonese restaurant.

UrbanLiving

Lighting plays a crucial role in constructing the overall atmosphere of a room. Knowing the subtle differences and combinations of light could be your first step in transforming your home living. Newly opened at HomeSquare, UrbanLiving aims to provide creative solutions that help homeowners perfect this art.

The store showcases an illuminating variety of British lighting designs, including the innovative designs from self-taught industrial designer Tom Dixon, classic Anglepoise, and the visionary designs of Innemost. Each unique product ignites the ambiance of your home with a personal flair that reflects your own individual style. (2634 0188 | Shop 308)

J Select Quality Life

Many would think a quality home consists primarily of fine luxurious furniture, but few realize that premium home appliances are the ones that really raise your standard of living. Having just launched its very first offline store at HomeSquare, J Select Quality Life is a hub of high-quality appliances that are both state-of-art and chic.

From food processors by renowned American brand KitchenAid, coffee machines by acclaimed Italian brand Gaggia, super-efficient Dyson vacuum cleaners, to sanitizing Airocide air purifiers, the store is spoilt for choice, offering famous home appliance brands and award-winning designer products.

Jasmine Garden

After a full day of furniture shopping, a refueling of the body is in order. Providing all the energy you need in the form of scrumptious and authentic Cantonese cuisine is the Jasmine Garden. Catering to even the most discerning gourmets, the restaurant presents quintessential Cantonese flavors using premium seasonal ingredients. The restaurant also strives to improve the health of its customers, and so uses vitamin-E rich, cholesterol-free rice bran oil, and no MSG is added in the cooking process.
